

THE L. S. LAUCHLAND ENGINEERING ALUMNI MEDAL

The L.S. Lauchland Engineering Alumni Medal was established in 1979 to mark the retirement of Professor Stuart Lauchland, founding member of the Department of Engineering Science at Western and Past President of APEO. The medal is awarded to a graduate of the Faculty of Engineering at Western University on the basis of outstanding contributions to the engineering profession, business leadership and community.

Nomination Information Required *(by April 30th)*

- **Name of Nominee** – include address, telephone #, and e-mail
- **Education** - degree(s) Year, engineering discipline
- **Positions Held** – career highlights
- **Community Contributions** – social or professional volunteer contributions
- **Engineering Contributions**
- **Business Contributions**
- **Involvement with Western** – volunteer activities
- **Your Name** – including address, telephone number & e-mail

Medal recipients are traditionally honoured on Homecoming Saturday, during the *Western Engineering Alumni Reception* ~ everyone is welcome to attend.
